

As Cory's Professor, I've had occasion to see his commitment and dedication to his selected major of Graphic Design. Cory is intuitively smart and designs well. His passion and hard work are testament to his ability and strength as a designer. I can say that I recommended to anyone Cory without any hesitation.

Randy Clark, M.F.A.

Assistant Professor at Wenzhou Kean University
September 23, 2014, Randy was Cory's teacher
